

# Calling All Banner Tow and Local Area Pilots... This Seminar Is For You!

Calling all Banner Tow pilots and local area pilots- this seminar has been designed to provide vital safety of flight information, before you start your summer flying season. This is part one of a 2 part seminar series. With close proximity to the shore water areas, it is vital for pilots to have a working knowledge of Water survival. The second topic tonight will address Fuel Management. Don't become a statistic- know how to manage your in-flight fuel. Click the link below and register TODAY.

**Directions:** Please preregister. Space is limited. We will move to another location on field if over 25 participants register
